3---3-- D --3---3----- --3---3----- A -----  
-----1----- E ----- Intro: F Bb  
F Bb F Bb F Bb TU TU RU...Verse 1:F Bb Let  
s do a movie or a long afternoon driveF Bb Or going  
nowheres just fine long as you are hereDm C Bb  
Doing nothing never has been so much funDm C Bb  
C If it s with you love well than anythings alrightF  
Bb So we can watch the morning sunrise you and meF  
Bb Stay with me darling come on let me keep you nearDm C  
Bb Till the early dawn warms up to the sunDm C Bb  
C F C It would be so nice baby stay with me tonightDm  
G Cause time with you is soft and warmDm G  
C And happiness is here just being aliveChorus 1:Bb C  
F So hey let s you & I Bb C F Oh you re with me nowBb  
C F Bb And baby it just gets better CI got you in my  
lifeF Bb F Bb F Bb F Bb TU TU RU...Verse 2:F  
Bb I used to worry that I d always be aloneF Bb  
Embracing rainy days and lost inside my fearDm C Bb  
To worry bout it never did me much goodDm C Bb  
C F C My life it turned around when you happened to meDm  
G Now that love is you everything is rightDm G  
C And loneliness is the other side or the worldChorus 2:Bb  
C F So hey let s you & I Bb C F Oh you re with me now  
Bb C F Bb And baby it just gets better CI got you  
in my lifeBrigde:Dm G7 You give me something so newDm  
G7 It will never get oldDm G7 You got this place  
in my heart BYes, life would be dull C DbOh  
without you aroundChorus 3:B Db Gb So hey let s you & I B  
Db Gb Oh you re with me nowB Db Gb B And  
baby it just gets better DbI got you in my lifeOutro:Bm Gb  
All I say and all I doBm Gb Yes I ll always love youBm Gb  
Gb All I say and all that I doBm Gb I will  
always love you/////////////////////////////////
