

Gwen Now And Then
The Broken West

<http://www.mergerecords.com/artists/brokenwest>

G

Tonight you show up in disguise

Em

A diamond in a bag of ice

D

G

Impossible to find

G

Windows where your eyes were

Em

Before a voice laced with malice

D

G

More than compromise

F

Gwen, now and then

you give me the feeling

C

G

I m not a man, I m a magazine

F

Gwen, now and then

C

with your feet on the railing

G

Don t you feel like you re falling again

D Am

G

Now and then

G

Look what summer s turned to blond

Em

Who are you to turn my life around?

D

G

Says the queen to her pawn

G

Forays you pick up where you never did

Em

You ve blown up every negative

D

G

Thrown them all in the fire

F

Gwen, now and then

you give me the feeling

C **G**
I m not a man, I m a magazine

F
Gwen, now and then

Making light of my living

C **G**
Raising your glass to the massacre again

D Am **G**
Now and then

Am, G, D, G

G **D** **C**
I ve been someone else too

G **D** **C**
And I ve been through hell

C
But I will return

G
Where you whisper to the waves

Em
Now I hear a hurricane

D **G**
Shout your name on the wind

G
Come out, say it to my face

Em
You think I m the one whose changed

D **G**
But we re both the same

F
Gwen, now and then

you give me the feeling

C **G**
I m not a man, I m a magazine

F
Gwen, now and then

You give me the feeling

C **G**
You re just reaching for a reason to leave

F
Got no name for your generation

C **G**
Let s just say, it looks like a waning moon

F

Don't believe in consequences

C **G**
Lest you forget, I got faith in you

D Am G

Now and then
