D C G D  
See the sun how bright it is it never was before  
D C G  
See the sun it shines right through my door but no-ones s there  
D D7 G Gm  
I see warm smiles I never gave reflecting in the air  
D G D G D  
All the things I want today All the things I wasted on the way  
D C G D  
See the earth how sweet it smells I don t know how it feels  
C G  
See the earth it slips beneath my heels as I pass thru  
D D7 G Gm  
I see tears that I never shed in every drop of dew  
D G D G D  
All the things I want today All the things I wasted on the way  
Em D  
Hear the skies singing songs I could have played  
Am C G  
Too busy talking to prove that I was not afraid  
D C G D  
See this dried up broken straw it s turning to rot

D D7 G Gm  
I see things that I never done a blowing in the wind  
D G D G D  
All the things I want today All the things I wasted on the way
