Chimes Of Freedom chords
The Byrds (Bob Dylan)

G C G D C G D G C G

G **C** **G** **C**
Far between sundown s finish and midnight s broken toll

G **C** **D** **G** **C G**
We ducked inside the doorway, thunder crashing

G **C** **G** **C**
As majestic bells of bolts, struck shadows in the sounds

G **C** **D** **G** **C G**
Seeming to be the chimes of freedom flashing

D **D7** **G** **C**
Flashing for the warriors, whose strength is not to fight

G **C** **Am** **D**
Flashing for the refugees on the unarmed road of flight

G **C** **G** **C**
And for each and every underdog, soldier in the night

G **C** **D** **G** **C G**
And we gazed upon the chimes of freedom flashing

G **C** **G** **C**
Even though a cloud s white curtain in a far off corner flashed

G **C** **D** **G** **C G**
And the hypnotic splattered mist was slowly lifting

G **C** **G** **C**
Electric lights still struck like arrows, fired but for the ones

G **C** **D** **G** **C G**
Condemned to drift or else be kept from drifting

D **D7** **G** **C**
Tolling for the searching ones, on their speechless seeking trail,

G **C** **Am** **D**
For the lonesome hearted lovers, with too personal a tale

G **C** **G** **C**
And for each unarmful gentle soul misplaced inside a jail

G **C** **D** **G** **C G**
And we gazed upon the chimes of freedom flashing

G **C** **G** **C**
Starry eyed and laughing, as I recall when we were caught

G **C** **D** **G** **C G**
Trapped by no track of hours for they hanged suspended

G **C** **G** **C**
And we listened one last time, and we watched with one last look

G **C** **D** **G** **C G**
 Spellbound and swallowed till the tolling ended

D **D7** **G** **C**
 Tolling for the aching ones whose wounds cannot be nursed

G **C** **Am** **D**
 For the countless confused, accused, misused, sprung-out ones and worse

G **C** **G** **C**
 And for every hung-up person in the whole wide universe

G **C** **D** **G** **C G**
 And we gazed upon the chimes of freedom flashing

C **Em** **D**
 Di di di di di di di di di di di di di

C **Em** **D** **G** **C G**
 Di di di di di di di di di di di di di dum
