

Eve Of Destuction
The Byrds

The Byrds - Eve Of Destruction
(TOM I figured it out)
by Mike Castillo

D **G**
the eastern world it is exploding

D **G**
Violence flaring bullets flowing

D **G**
your old enough to kill but not for voting

D **G**
even the Jordan River has body s floating but ya

D **G** **A** **D** **B**
tell me over and over and over again my friend

G **A** **D** **G A**
you don t believe were on the eve of destruction

D **G**
Don t ya understand what I m trying to say

D **G**
And can t you feel the fears that I m feeling today

D **G**
If the button is pushed there s no running away

D **G**
There ll be no one to save with the world in a grave

D **G**
Take a look around ya boy it s bound to scare you boy and ya

D **G** **A** **D** **B**
tell me over and over and over again my friend

G **A** **D** **G A**
you don t believe were on the eve of destruction

D **G**
If you think of all the hate that is in red china

D **G**
Then take a look around to Selma, Alabama

D **G**

You live here but more days in space

D **G**
But when you return it s the same old place

D **G**
The pounding of the drum the pride and disgrace

D **G**
You can bury your dead but don t leave a trace

D **G**
Hate your next door neighbor but don t forget to say grace and

D **G** **A** **D** **B**
tell me over and over and over and over again my friend

G **A** **D**
you don t believe were on the eve of destruction oh no no no no

G **A** **D** **G A**
you don t believe were on the eve of destruction

D
