The Byrds Get To You written by Roger McGuinn

[tab]D G D G D G D G  
Standing in the airport I am waiting for a plane[/tab]  
[tab]D G D G D G D G  
Going east to London want to be back there again[/tab]  
[tab] D A D D/F# Em  
It s the right time of year all the leaves are on the ground[/tab]  
[tab] D G D G G/F# Em A  
But I really only want to get to you[/tab]  
[tab]D G D G D G D G  
Sitting by the window watching ocean going by[/tab]  
[tab]D G D G D G D G  
Soon I should be with you but how fast can this thing fly[/tab]  
[tab]D A D D/F# Em  
Day hours seem like an eternity[/tab]  
[tab] D G D G G/F# Em A  
All the time it took me trying to get to you[/tab]  
[tab]Em A Em A  
That s a little better that s a little better[/tab]  
[tab]Em A  
That s a little better[/tab]  
[tab]D G D G D G D G  
Standing in the airport I am getting off a plane[/tab]  
[tab]D G D G D G D G  
Glad to be in London even though it s pouring rain[/tab]  
[tab]D A D Em  
It s a bright sunny day when I see you run my way[/tab]  
[tab] D G D G G/F# Em A  
But it took me twenty years to get to you[/tab]  
[tab] D A D Em  
It s a bright sunny day when I see you run my way[/tab]

[tab]            D            G            D            G    G/F#   Em   A  
 But it took me twenty years to get to    you[/tab]  
 [tab]Em                            A            Em                            A  
 That s a little better that s a    little better[/tab]  
 [tab]Em                            A  
 That s a little better[/tab]

From the "Notorious Byrd Brothers" LP Columbia Records 1968

The Byrds    Wait And See            written by David Crosby

[tab]G                            D    C                            A  
 Watch put what you say don t get in my way[/tab]  
 [tab]G                            F            C                            D  
 I m gonna get that girl wait and see[/tab]  
 [tab]G                            D            C                            A  
 I saw her today    she came by my way[/tab]  
 [tab]G                            F            C                            D  
 I m gonna win her love wait and see[/tab]  
 [tab]        G                            C                            G                            C  
 And together we ll go walking in the evening there ll be talking[/tab]  
 [tab]                            G                            G/F#            Em                            D  
 She s the kind of girl you never hardly see[/tab]  
 [tab]G                            D            C                            A  
 Have you seen her eyes    do you realize[/tab]  
 [tab]G                            F            C                            D  
 How much love like that can    mean to me[/tab]  
 [tab]G                            D    C                            A  
 I know she knows me today I could see[/tab]  
 [tab]        G                            F            C                            D  
 The way she held her head when she walked by[/tab]  
 [tab]        G                            C                            G                            C  
 And before the night is over I think I m gonna love her[/tab]  
 [tab]        G        G/F#            Em                            D  
 And if it lasts forever I don t care[/tab]  
 [tab]G                            D            C                            A  
 Now that she is mine I told you all the time[/tab]  
 [tab]        G                            F            C                            D  
 How could I let a girl like that go by[/tab]  
 [tab]                            G                            C                            G                            C  
 And before the night is over I think I m gonna love her[/tab]  
 [tab]        G        G/F#            Em                            D  
 And if it lasts forever I don t care[/tab]

The Byrds    I Knew I d Want You    written by Gene Clark

[tab]Em                            D            D7            C                            G

I d like to love you           with all of my heart[/tab]  
 [tab]                               **F**               **Em**               **A**  
 You ve had me on your trip   right from the start[/tab]  
 [tab]**C**                       **Em**               **C**               **Em**  
 And when you looked at me with love in your eyes[/tab]  
 [tab] **F**                       **D**               **D7**  
 I knew I d want you   oh yeah[/tab]  
 [tab]**Em**                       **D**               **D7**   **C**               **G**  
 I d like to hold you           if you want me to[/tab]  
 [tab]                               **F**               **Em**               **A**  
 I ve found something new girl just by looking at you[/tab]  
 [tab]**C**                       **Em**               **C**               **Em**  
 And it s in your smile   and it s in the way[/tab]  
 [tab] **F**                       **D**               **D7**  
 I knew I d want you   oh yeah[/tab]  
 [tab]**C**                       **G**               **F**               **Em**  
 I meet so many people I feel I don t know[/tab]  
 [tab]**C**                       **G**               **F**               **D**               **D7**  
 But I felt so close to you   when you said hello[/tab]  
 [tab]**Em**                       **D**               **D7**   **C**               **G**  
 I d like to love you   with all of my heart[/tab]  
 [tab]                               **F**               **Em**               **A**               **C**  
 You ve had me on your trip   right from the start[/tab]  
 [tab]                               **Em**               **C**               **Em**  
 And when you looked at me with love in your eyes[/tab]  
 [tab] **F**                       **D**               **D7**  
 I knew I d want you   oh yeah[/tab]
