It Won t Be Wrong - The Byrds

E D E G

```
E                    C           D        G            Bm
Every time I see you smile, come to me, donâ€™t be long
E                              C          D
Let me tell you how my heart goes wild.
G                                  E           D E G
Please let me love you and it wonâ€™t be wrong
```

```
Every time youâ€™re in my arms, come to me , donâ€™t be long
You know that Iâ€™ll never do you no harm
Please let me love you and it wonâ€™t be wrong
```

```
A                                  G           Bm
Let me love you and then youâ€™ll see, come to me, come to me
E                         C         D
Let me show you once and weâ€™ll be free
G                                  E           D E G
Please let me love you and it wonâ€™t be wrong
```
