[tab]D G    G/F#       Em    G/F#    G    G/F#       D  
Hallways and staircases everyday to climb[/tab]  
[tab]    G       G/F#    Em                    G/F#       G       G/F#       D  
To go up to my white walled room out on the end of time[/tab]  
[tab]                    D/C#       Bm                    G       G/F#               Em  
Where I can be with my love for she is all that is mine[/tab]  
[tab]                    D                                    G                    G/F#               D  
And she ll always be there my love don t care about time[/tab]  
[tab]    G       G/F#       Em    G/F#       G                    G/F#               D  
I laugh with her cry with her hold her close she is mine[/tab]  
[tab]                    G    G/F#       Em       G/F#       G       G/F#       D  
The way she tells me of her love and never is she trying[/tab]  
[tab]                    D/C#       Bm                    G       G/F#               Em  
She don t have to be assured of many good things to find[/tab]  
[tab]                    D                                    G                    G/F#               D  
And she ll always be there my love don t care about time[/tab]  
          G       G/F#       Em                    G/F#       G                    G/F#               D

Her eyes are dark and deep with love her hair hangs long and fine  
[tab]    G                    G/F#       Em       G/F#       G       G/F#       D  
She walks with ease and all she sees is never wrong or right[/tab]  
[tab]                    D/C#    Bm                    G                    G/F#               Em  
And with her arms around me tight I see her all in my mind[/tab]

And she ll always be there my love don t care about time[/tab]
