Why?
Em
                  F#m
                                          F#m
                               G
You say there s a limit there, she can t go past that
            F#m
She don t believe you, she don t think that s where it s at
Why?
D
Why?
              F#m
                                                F#m
Em
                           G
Say she can t change that, it s the way you ve always done it
          F#m
                           G
She don t care about that, she thinks you ve just begun it
Why?
D
Why?
Em
               F#m
                               G
                                              F#m
You say it s a dead old world, cold and unforgiving
             F#m
I don t know where you live, but you re not living
D
Why?
