

Intoxicated
The Cab

By the way, Ver 2 of Intoxicated is an exact copy of my tab, transposed up 4 steps.

If you don't believe me, transpose this +4 and see for yourself.

Capo 4

[Intro]

G **A**
And I think you're from another world
F#m **Bm A Bm D**
And I, I couldn't love another girl
G **A** **Em**
'Cause you, you make me feel like I'm intoxicated

[Verse 1]

G
In a room full of frozen faces
A
In a moment of fractured time
G
We eclipse in a conversation
A
As the words, they pass us by
G **F#m** **A**
With you we could be the only ones here

[Chorus]

G **A**
'Cause I think you're from another world
F#m **Bm**
And I, I couldn't love another girl
G **A** **Bm**
'Cause you, you make me feel like I'm intoxicated, toxicated

G **A**
To the sky flying high, take me to the moon
F#m **Bm**
Day or night, we don't have to say a word
G **A** **Em**
'Cause you make me feel like I'm intoxicated, toxicated

[Verse 2]

G
Your eyes like a shot of whiskey

A

Warms me up like a summer night

G

Can you tell that I need you with me

A

Let me drink you down tonight

G

No I don't just want any pretty face

A

Wanna wake up next to yours each day

Bm

A

And baby, won't you be my saving grace tonight, tonight

G

F#m

A

With you we could be the only ones here

[Chorus]

Em

'Cause you make me feel like I'm intoxicated, intoxicated

G A Bm A

[Bridge]

G

Felt like I black out pass out

A

Every time that we touch

And if it hurts in the morning

Bm

Then it must be love

I want your heart, baby straight no chaser

A

I wanna feel it in my head when I wake up (when I wake up)

[Chorus]
