

Numbers
The Cab

Em **D**
Out of the seven billion people in this world, there s only you.
C **D6**
Almost a million words that I could say, but none of them will do.
Em **D**
So many years that I have lived, but it feels like I ve just begun.
C **D6**
Out of the seven billion people, baby, you re the only one.

Em, D, C, D6

Em **D**
I ve been too many places. I ve seen too many faces.
C **D6**
I wrote too many pages; never found a love like you. (Love like you)
Em **D**
I don t know how to say it. It s been more than amazing.
C **D6**
My whole life, I ve been waiting; never found a love like you. (Love like you)

Em **D**
Sleep, dream, you, repeat. Live, die next to me.
C **D6**
Sleep, dream, you, repeat. Sleep, dream.

Em **D**
Out of the seven billion people in this world, there s only you.
C **D6**
Almost a million words that I could say, but none of them will do.
Em **D**
So many years that I have lived, but it feels like I ve just begun.
C **D6**
Out of the seven billion people, baby, you re the only one.

Em **D**
You were unexpected, when our lips connected.
C **D6**
I was resurrected; never found a love like you. (love like you)
Em **D**
Don t care where I m headed when the world is ending.

C Cause you are my heaven; never found a love like you. (Love like you)
D6

Em Sleep, dream, you, repeat. **D** Live, die next to me.

C Sleep, dream, you, repeat. **D6** Sleep, dream.

Em Out of the seven billion people in this world, there s only you. **D**
