[Primeira parte]

Dm
They had tongues like guns
F
I had nowhere to run
C G
Yeah, this world can get so lonely
Dm
Yeah, the paper and pen
F
Were my two best friends
C G
cause the sad songs understood me
Dm F
The irony and all my dreams were
C G
Keeping me from sleeping
Dm
cause there's something so fun being
F
Young and being dumb
C G
cause you're not afraid of feeling

[Pré-refrão]

Dm F
Yeah, all of my demons are kicking
C
And screaming but i'll never
G
Leave them behind
Dm F
Yeah, maybe i'm crazy but don't

Try to save me cause
C G
I've never felt so alive

[Refrão]

Dm
Yeah, when they knock you
F
Down, down, down
C **G**
Kid, you gotta stand up (stand up)

Stand up (stand up)
Dm **F**
Yeah, when they gotcha down, down, down
C
Gotta make your own luck (own luck)
G
Own luck (own luck)
Dm
So, tell me i?m outta my mind
F
Give me a sign
Take it one step at a time
C
I know it s gonna be fine
G
Open your eyes shut up and give it a try
Dm **F**

Dm
But all the scars they prove
F
That i fought my way through
C **G**
So, i always keep em showing
Dm **F**
cause sanity is suicide

C **G**
And crazy are the legends
Dm
But, yeah, i d rather have fun
