

Take My Hand
The Cab

Artist: The Cab
Song: Take My Hand
Capo: 2
Tuning: Standard
Tabbed by Sco

I m lazy and changing tunings just doesn t do it for me. So...when in doubt,
find
a capo and get it to work using the four chords that can do it all. Enjoy.

Chords used:
G-D-Em7-Cadd9

G **D**
Calm your nerves now
Em7 **Cadd9**
And don t worry, just breathe
G **D**
Are you sure now?
Em7
Don t bother packing
Cadd9
Let s just leave
G
(All of them) Said they wanted change
D **Em7** **Cadd9**
I hope that you remain the same
G **D**
To show that this is not a game
Em7 **D**
Let s end this tragedy today

Em7 **D**
Now, take my hand and we will run away
Cadd9 **D**
Down to this place that I know
Em7 **D**
How did this night become the enemy
Cadd9 **D**
It s over, it s over, it s over

(2nd verse and all choruses repeat same pattern)
Lay down with me
And let me hold you, baby, just breathe
This is ending
We will get through eventually

(All of them) Said they wanted change
I hope that you remain the same
To show that this is not a game
Let s end this tragedy today

Now, take my hand and we will run away
Down to this place that I know
How did this night become the enemy
It s over, it s over, it s over

Now, take my hand and we will run away
Down to this place that I know
How did this night become the enemy
It s over, it s over, it s over

Em7 **D**

We won t be a part of

Cadd9 **D**

We won t be a part of that

Em7 **D**

We won t be a part of

Cadd9 **Cadd9**

We won t, we won t

Take my hand and we will run away
Down to this place that I know
How did this night become the enemy
It s over, it s over, it s over

Now, take my hand and we will run away
Down to this place that I know
How did this night become the enemy
It s over, it s over, it s over

Take my hand and we will run away
Down to this place that I know
How did this night become the enemy
It s over, it s over, it s over now

We won t be a part of
We won t be a part of that
We won t be a part of
We won t, we won t

Pretty simple. Enjoy.
