I ll move it fast without a doubt

And lately you ve been knocking
But I never really listened or cared
Cause when I told you I was walking
I was reeling her in with my stare

You say the storm will pass
We ll work it out
The road can get a little rough sometimes
I ll move it fast without a doubt
Our hearts will beat in separate rooms tonight
But tonight

Baby, we belong alone
Guess my second chance was blown
Baby, we belong alone
I got another you at home
Baby, we belong alone, alone

Baby, we belong alone
Guess my second chance was blown
Baby, we belong alone
I got another you at home

Baby, we belong alone
Guess my second chance was blown
Baby, we belong alone
I got another you at home
Baby, we belong alone, alone
