And through the cheers

G#

Oh, I still believe

I ll march this road

I ll climb this hill

Down on my knees if I have to

I ll take my place

Up on this stage

I ll wait til the end of time

For you like everybody else

I m out on my own

Walkin the streets

Look at the faces

That I meet

I feel like I like I want to go home

What do I feel

What do I know

But I still believe
I still believe
Through the shame
And through the grief
Through the heartache
Through the years
Through the waiting
Through the years

For people like us
In places like this
We need all the hope
That we can get
Oh, I still believe
