

Adrienne
The Calling

The Calling -Adrienne

Please can someone tab the lead for this song!this tab is for the intro.
The end is not very accurate but im just a kid an ive not been playing that long.
Hopefully this will lead somebody to tab out the whole song properly.

tuning for rythem guitar: **Eb Ab Db Gb Bb Eb**

[Intro] **G D C C D**

[Verse]

G D
I ve been thinkin about you, my love
C D
And all the crazy things that you put me through
G D C D
Now I m coming around, and throwing it back to you
G D
Do you think about me, when you kiss him
C D
Can you taste me when you lick his skin
G D C D
And all the while, I showered you with trust and promises
Em7 D
What I m needing now s some sweet revenge
C D
To get back all that I lost then
Em7 D
I gave you all I had to give
C D
But I could never reach you

[Chorus]

G **D** **Cadd9** **D**
Adrienne, I thought I knew you

G **D** **Cadd9** **D**
Once again, you used me, used me

Adrienne, I should have left you

Long before, you used me, used me up
