Tune down half A step: Eb Ab Db Gb Bb Eb

E [022100]
Asus2 [x02200]

**C#m** [x46650]

**B** [x24400]

**E2** [x79900]

[Intro:] E Asus2 C#m B Asus2

[Verse 1:]

E

I will be there

Asus2

Always waiting

Е

Waiting for you

Asus2

To let me inside

Е

Where your fire burns

Asus2

In a city of angels

C#m B Asus2

Just like a river rushing straight into the sea

C#m B Asus

I m the one thing meant for you and you for  $\ensuremath{\text{me}}$ 

[Chorus:]

됴

Whatever you want

Asus2

Whatever you need

C#m B Asus2

Whatever it takes, I ll do anything

[Verse 2:]

E

And as you sleep

Asusz

Eyes to the window

Е

I m watching you dream

Asus2

Well are you dreaming of me?

Е

```
So why can t you see
              Asus2
You re all that matters
                                      В
                                                  Asus2
You know if this earth should crack I ll be your solid ground
                                        Asus2
I will be there to catch you when you fall down
[Chorus:]
If I have to crawl
             Asus2
Get down on my knees
               B Asus2
           C#m
Whatever it takes, I ll do anything
[Bridge:]
As2 B
                       C#m
                                         E2
I d take the stars right out of the sky for you
                    C#m
I d end the world and give you the sun, the moon
                         E2 (let ring)
               В
For all of time, forever loving you
[Chorus:]
           Asus2
Whatever you need
            C#m
Whatever it takes, I ll do anything
If I have to crawl
             Asus2
Get down on my knees
         C#m B Asus2
Whatever it takes, I ll do anything
```

Repeat chorus a few times, end on E. Done.
