

If Only
The Calling

If Only
The Calling
Tabbed by Damon Hoffmann

First tab I ve ever done so feel free to hammer it. Sounds good when I play thru it though. I ve been waiting for someone to put this one up for a while so decided to try it myself. Try it with barre chords too. It sounds a little closer to the cd.

Would it be enough to understand
Why we feel lost in a world so small
If only love could find us all...
