verse

Em **D** **C**
He stands alone outside the blooming yards
Em **D** **C**
All is calm there on the street

The shadows pass him hung right over
Em **D** **C**
The pain on his face he knew he d keep...
Em **D** **C**
His hair is long, and it s twisted, it s twisted
Em **D** **C**
Around the smile spread cheek to cheek
Em **D** **C**
Another child, another soul, grabs a hold
 Em **D** **C**
To the metal that will end his misery...

[CHORUS:]
