To the markers of beautiful memories

I was given to fits of lost traditions  
Now I m living on sealed confessions  
Oh, such a sweet distress  
Suspended pipe dreams are touching  
Revolving and spinning  
Am I accursed or blessed it s uncertain  
Oh, I have faith in my bearings

A riot in the heart  
Come ruin or rapture  
May we never part  
A blue mystic light  
I carry a torch and a pocket guide  
To the markers of beautiful memories.
