

Lonely Lonely Lonely
The Candle Thieves

Bands official website - <http://www.thecandlethieves.com/>

NOTE - I m posting 2 different ways to play this song. Personally, I feel the first way sounds nicer but playing it the second way is for those who are too lazy to tune down ;) Enjoy and let me know what you think!

TUNING -

Can be played: 1] Tuned down half a step [D# G# C# F# A# d#] or
2] Standard Tuning on Capo 2

1]

Intro - G C G D Em C G D

G C
Standing in an empty room,

G D
Where the cobwebs dont remember you.

Em C G D
Let me in and I wont bother you again.

G C
You re a memory from a former life,

G D
That outright rufused to fade,

Em C G D
Let me in and I wont bother you again

Bm C D
I m lonely lonely lonely in a room full of my friends

Em C G C G D Em C
Let me in and I wont bother you again

G C
Counting as the minutes pass

I m still looking at the looking glass

and how long, how long, how long can I keep this up for

and God forbid if he doesn t exist

oh we ll go on with what we came in with

and how long, how long can I keep this up for

I m lonely lonely lonely in a house that I have loved in

How long, how long, how long can I keep this up for?

How long can I keep this up for?

How long can I keep this up for?

How long, how long, how long can I keep this up for?

How long can I keep this up for?

How long can I keep this up for?

Outro - Em C G D Em C G
