[Verse]

A **Bm**
For 27 years I ve been trying
G
to believe and confide in
D A
different people I found
Bm
Some of them got closer than others
G
and some wouldn t even bother
D A
and then you came around
Bm
I didn t really know what to call you
G
You didn t know me at all
D A
but I was happy to explain
Bm
I never really knew how to move you
G
so I tried to intrude through
D
the little holes in your veins

[Verse]

F#m G
And I saw you
D-A
But that s not an invitation
G
that s all I get
D-A
If this is communication
G
I disconnect

I ve seen you, I know you

D **A** **G**
but I don t know how to connect

A
so I disconnect

[Verse]
You always seem to know where to find me
and I m, still here behind you
in the corner of your eye
I never really learnt how to love you
but I know that I love you
through the hole in the sky
where I see you
and that s not an invitation that s all I get
If this is communication
I disconnect
I ve seen you, I know you
but I don t know how to connect
so I disconnect
