

Couldnt Care Less
The Cardigans

Dm

Oh my heart can t carry much more
It s really, really aching and sore

Am

My heart don t care anymore
I really can t bear more

Dm

My hands don t work like before
I shiver and I scrape at your door

Am

My heart can t carry much more

G **Dm**

But you couldn t care less

Am

Could you

Dm

Your face don t look like before
It s really not like yours anymore

Am

Your eyes don t like me no more
They quiver and they shift to the floor

Dm

My heart don t beat like before
It s never been this slow

Am

No my blood don t flow anymore

G **Dm**

And you couldn t care less

Am

Could you

F **Dm** **C** **F**

Could we stop and sleep for a spell

F **Dm** **C** **F**

We can turn this ditch into a well

F **Dm** **C** **F**

And send that old devil back to hell

G **Dm** **Am**

But we don t care do we

F **Dm** **C** **F**

Baby let s stop and sleep for a spell

F **Dm** **C** **F**

We can turn this ditch into a well

F **Dm** **C** **F**

And send that old devil back to hell

Dm

Your back s not straight like before
You really shouldn t carry me no more

Am

I m much too heavy for you
I m really quite a mess, yes

Dm

We just don t care anymore
We re crooked and were cut to the core

Am

We re just not there anymore

G **Dm** **Am**

But we really don t care do we

G **Dm**

No, we couldn t care less

G **Dm**

We couldn t care less

Am

Could we?
