

Hanging Around
The Cardigans

(F5, F5b)

D#5

I wonder what it s like

D#5b **G#5**

seeing through your eyes

C#5 **B5**

You ve offered me to have a try

D#5, D#5b

but I was always late

D#5

The filters that I use

D#5b **G#5**

give me an excuse

C#

I take away what s real

B **D#, D#5**

I feel it and it blows my fuse

E5 **B5**

I hang around

C5 **G5**

for another round

E5 **B5**

I m hanging around

C5 **G5**

for another round

D#5 **A#5**

I m hanging on

B5 **F#5**

to the same old song

D#5 **A#5**

I hang around

B **F#5**

for another round

C# **B**

Until somethings stops me

(D#5, D#5b)2X

D#5

I wonder what it s like

D#5b **G#**

walking by your side

C#

To think before I talk

B **D#5, D#5b**

and to move at the same speed as you walk

D#5

I want to have a weight

D#5b **G#**

to keep me in your state

C#

I m watching from above

B **D#, D#5**

I love it but it s not for me

E5 **B5**

I hang around

C5 **G5**

for another round

E5 **B5**

I m hanging around

C5 **G5**

for another round

D#5 **A#5**

I m hanging on

B5 **F#5**

to the same old song

D#5 **A#5**

I hang around

B5 **F#5**

for another round

C#5 **B5** **B5** (**D#5, A#5, B5**)

Until somethings stops me
