Well, here s a good man and a pretty young girl

Trying to play together somehow

I m wasting my life, you re changing the world

I get drunk and watch your head grow

It s the good times that we share

And the bad times that we ll have

It s the good times and the bad times that we had

Well, it s been a long slow collision

I m a pitbull, you re a dog

Baby, you re foul in clear conditions

But you re handsome in the fog

So I need some fine wine

G# Eb Bb
And you, you need to be nicer

Fm G#
For the good times and the bad times that we ll have

Break your heart and raise a glass or ten
