[Intro]

G D A D

G D A D

[Verse 1]

G D A D

I came home in the morning and everything was gone oh what have I done ?

G D A D G

I drop dead in the hallway cursing the dawn oh come on sun why must I burn ?

D A D

I m just trying to learn

G D A D

I stared into the light to kill some of my pain it was all in vain as no senses remain

G D A
Got an ache in my body and regret on my mind but I ll be fine cause

[Chorus]

D G
I live and I learn

D A
Yes I live and I learn

D G
If you live you will learn

D F#m
And I live and I learn...

G D A D

[Verse 2]

G D A D
Got kicked in the head and I started a fight cause I knew I was right but I learned I was wrong

G D A
I remember a slaughter I remember I fought for the money I brought

D G
I got blistered and burnt

D A
And I lost what I d earnt

D **Em D**
But I lived and I learnt

A D
Yes I lived and I learnt

[Bridge]

Em D A Em
I got I got It now

Em D A Em
I got I got It now

Em D A Em
(She s got, she s got it now)

Em D A Em
I got I got It now

Em D A Em
I got I got It now

Em D A Em D A Bb A D
(She s got, she s got it now)

[Verse 3]

G D A D
 G

I came to on a corner with some help from a man and god damn I don t seem to
have learnt

G D A D G
That a lady in need is guilty indeed so I paid and got laid in return

D F#m
And I don t know what I ve learnt

[Verse 4]

D G
Well you get what you give

D A
And hell yes I ve lived

D G
But if you live as you learn

D A
I don t think I can learn

D G
Oh with the sun in my eyes

D A
Surprise, I m living a lie

D G
But I don t seem to learn

D A D
No I don t think I can learn

G D F#m...
