Intro:
    Bm-F#m
            Bm-A
Verse 1
                        Bm
                             F#m
Oh it s healing bang bang bang
                       Bm A
I can hear your canons call
                                F#m
                           Bm
You we been aiming at my land
                            Bm A
You re hungry hammer s falling
                                   Bm F#m
And if you want me I m your country
Verse 2 (same as V1)
I m an angel bored liked hell
and you re a devil meaning well
You steal my lines and you strike me down
Come raise your flag upon me
And if you want me I m your country
```

```
F#m
                          C#m
If you win me I m forever
Oh Yeah
Chorus :
                       Е
                                        D
Cos you re the storm that I believed in
                                         D
and all this peace has been deceiving
                                     D
I like the sweet life and the silence
Α
                 Е
                                D
                                     F#m
But it s the storm that I believe in
Verse 3 (same as V1)
Come and conquer and drop your bombs
cross my borders and kill the calm
Bear your fangs and burn my wings
I hear bullets singing
and if you want me I m your country
Bridge :
F#m
                    D C#m
If you win me I m forever
   Е
Oh Yeah
Chorus :
Cos you re the storm that I believed in
and all this peace has been deceiving
I need some wind to get me sailing
So it s the storm that I believe in

             в
Chorus :
                                            D
You feed my heart you keep me breathing
                                         F#m
                      Е
Cos you re the storm that I believed in...
                     Bm
                           F#m
And if you want me I m your country...
That s it !! Very Cool Song.
