**The Carpenters**

[Intro] **C6**

Morning opens quietly

A shadow vision

Over me

**G6 F7M**

I know you well

Hidden by the windows pane

**G**

And all my sadness

**Em**

Gone charade

**Dm7**

Begins to fade

**G7M Cm7**

How long it stayed

**Em**

Patters of another day

Awaken slowly

Out of gray

**G6 F7M**

A tolling bell

Rolling down the alleyway

**G6**

It s calling all

**Em Em7**

My dreams away

**D# C# C**

My dreams are songs I play
