

**Eventide**

**The Carpenters**

[Intro] **C6**

**Em**

Lying under barren skies

The light escaping

From my eyes

**G6 F7M**

Below the moon

Walking down the avenue

**G**

I followed by

**Em**

The afterglow

**Dm7**

The velvet rose

**G7M Cm7**

of evening grows

**Em**

Weary to be home again

Among the faces

Of my friends

**G6 F7M**

The day is done

Candles burning by the sea

**G6**

Are waiting for me

**Em Em7**

Patiently

**D#**

I wish the same

**C# C**

For you
