C D/C F/C
Serenade me by the light of the moon,
C/G

Let s sing and dance as lovers do
G/C F/C
When the morning light shines down on me
G7 C

With you, my love I want to be

As the stars go sailin by

G Am
We can count them you and I

Dm7 C
We can make a wish when one falls from the sky

And my only wish would be

Am7 D7
That forever I would see

C
You movin thru the darkness smiling that way at me

Fmaj7 Em7
(*) Kiss me the way you did last, night

G7 C
Lay down beside me, holdin me tight

Fmaj7 Em7
Kiss me the way you did last night,

C D/C C D/C
Tonight until the morning light

C D/C
Celebrate love while the feeling is new

C/G C
It s a moment that was meant for me and you

D/C F/C
If tomorrow never comes I won t care,

F/G C
I ll just love you tonight and all we share...
