 Baby, baby, baby, ...,
 A#m Fm
 I love you, I ...

Ok, I play this song with a capo on the first fret and use the chords Em, D, C, B and Am in the verses and C, B, Am, G, and Em in the choruses. This seems to sound pretty close, but I think that Thurston Moore tunes his guitars flat (Eb,Ab,Db,Gb,Bb,Eb).

Anyways, this was close enough for me...
