```
Tonight She Comes
The Cars
Intro 2x: G D Am C
        D Am
I know tonight she comes
      D
She s takin a swipe at fun
               D
She gives me a reason
For sighting my sights
              D
Well I know tonight she comes
She jangles me up
She does it with ease
And sometimes she passes through me
Just like a breeze
She gives me a reason
For feelin all right
I know tonight
                C
I know tonight
                D
I know tonight
     Am D
She comes
Bm
              C
I know she s gonna do it to me
         C
One more time (one more time)
             C
I know she s gonna stay implanted
In my mind
Why does she keep me hanging on the line
 Solo: G D Am C (3x)
      G D Am D
```
