Chorus, lead :

The tempest is o'er
I'm safe ever more
What gladness what rapture is mine
The danger is past
I'm anchored at last
I'm anchored in love divine

Chorus, harmony :

The danger, the tempest, forever is o'er

My anchor is holding, I m safe ever more
What gladness, what rapture is mine
The water is peaceful, the danger is past
I m feeling so happy, I m anchored at last
I m anchored in love divine

He saw me in danger and lovingly came
To pilot my storm-beaten soul
Sweet peace He has spoken and bless His dear name
The billows no longer roll

His love shall control me through life and in death
Completely I ll trust to the end
I ll praise Him each hour of my last fleeting breath
Shall sing of my soul s best friend
