The Cat Empire

All along the street

They re holding signs that say

That I am lost
F **E** **Am**
And that I do not know the way

I asked the rock

Sitting in a shade of grey

F **E** **Am**
He didn t have a thing to say

Chorus:

Am **G** **C**
But you are the only light I see
D **Am**
You are the only light I need
G **C**
When everybody else is sleeping
D **Am**
You come along and help me breathe

Verse 2

When I was a stone
No one knew that I was there
I d sing my song and
No one ever really cared
I went to the mountain
Face all covered in tears
I wept but
Mountain didn t seem to hear

Chorus:

So you are the only light I see
You are the only light I need
When everybody else is sleeping
You come along and help me breathe

You are the only light I see (x2)

Verse 3

I love you
Till the mountain starts to cry
I love you
If I don't know the reason why
I love you
Until I do not know my name
I ask you
Wouldn't you have done the same

Chorus

Oh you are the only light I see
You are the only light I need
When everybody else is sleeping
You come along and help me breathe

You are the only light I see
You are the only light I need
When everybody else is sleeping
You bring the magic over me

You are the only light I see (x4)
