Face all covered in tears

I wept but

Mountain didn t seem to hear

So you are the only light I see

You are the only light I need

When everybody else is sleeping

Verse 3

I love you  
Till the mountain starts to cry  
I love you  
If I don't know the reason why  
I love you  
Until I do not know my name  
I ask you  
Wouldn't you have done the same

Chorus

Oh you are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You come along and help me breathe

You are the only light I see  
You are the only light I need  
When everybody else is sleeping  
You bring the magic over me

You are the only light I see (x4)
