Verse 2 (same)

Some night I see the world with its winds and its whirls

And I feel undefeated

But every day I see the girl with the strawberry curl

And Iâ€™m too shy to meet her

Some nights I go to bed

Thereâ€™s a ghost in the air above my head

And I tremble

Sometimes I eat KFC

Other times I give up meat

And I just eat lentils

Iâ€™m a single person in the universe

And I am here to sing a song

About the day that I was born

Till the day that Iâ€™ll be gone

And the song wonâ€™t last for long

(Cause weâ€™re all justâ€¦)

CHORUS (different lyrics)

Verse 3

And enemy is a remedy to a malady in your melody

If youâ€™re strong not brittle

And a friend is a friend

Is a friend to the end and itâ€™s oh so simple

A man is a man and a woman is a woman

But the times we are living in demand

That a man can change from a man to a woman
And a woman can demand to be a man
Weâ€™re just flesh with socks and locks and frocks
And I am here to say to you
On the day that I die Iâ€™ll just give a smile and fly into the blue
(Cause weâ€™re all justâ€¦)
