

Am

Standing there with a frown and a cigarette

F

Posting pictures of yourself on the Internet

C

Out on the terrace

G

We breathe in the air of this small town

Am

On our own, cuttin' class for the thrill of it

F

Getting drunk on the past, we were livin' in

[Chorus]

C

G

If we go down then we go down together

Am

They'll say you could do anything

F

They'll say that I was clever

C

G

If we go down then we go down together

Am

We'll get away with everything

F

Let's show them we are better

[Post-Chorus]

C

Let's show them we are

G

Show them we are

Am

Let's show them we are

Show them we are

F

Let's show them we are better

C

G

Am

We were staying in Paris

F

Let's show them we are better

C

Let's show them we are

G

Show them we are

Am

Let's show them we are

Show them we are

F

Let s show them we are better
