[Intro]

**Am G C/E F**  
**Am G C F**

[Verse 1]

**Am G C/E F**  
I ll tell you a story before it tells itself  
**Am G C F**  
I ll lay out all my reasons, you ll say that I need help  
**Am G C/E F**  
We all got expectations, and sometimes they go wrong  
**Am G C F**  
But no one listens to me, so I put it in this song

[Chorus]

**Am G C/E F**  
They tell me think with my head, not that thing in my chest  
**Am G C F**  
They got their hands at my neck this time  
**Am G C/E F**  
But you re the one that I want, if that s really so wrong  
**Am G C F**  
Then they don t know what this feeling is like

[Interlude]

**Am G**  
And I say yeah-eah  
**C/E F**  
Yeah-eah-eah-eah

**Am G C F**

I tell you all my secrets, and you tell all your friends  
                    **Am**                    **G**                    **C/E**                    **F**  
Hold on to your opinions, and stand by what you say (stand by what you say)

In the end, it s my decision, so it s my fault when it ends

They tell me think with my head, not that thing in my chest

They got their hands at my neck this time

But you re the one that I want, if that s really so wrong  
                    **Am**                    **G**                    **C**                    **F**  
Then they don t know what this feeling is like
