This is my first tab, I decided to write it because I didn't find the chords on the net. Fortunately Lolo, my brother in law, was there to help me with this!

So there it goes:

E **E7**
So here we are waking
E **E7**
Savages shaking
E **E7**
The road that we're taking
E **E7**
We've walked before

Cm **Gm**
And if these times
Cm **Gm**
Should seal our fate
Cm **Gm**
You won't see me
Cm **Gm**
At Heaven's gate

E **E7**
Danger is lurking
E **E7**
Evil is working
E **E7**
Yet here we are hiding
E **E7**
Behind our doors

Cm **Gm**
Come out! Come out!
Cm **Gm**
It's time to grow
Cm **Gm**

Enjoy the ride

Cm **Gm**

One more time before we go

Gm Cm

Cm **F**

According to Hoyle

F **Gm**

Cm **F**

E **E7**

E **E7**

The enemy bolder

E **E7**

But as you grow older

E **E7**

You ceased to care

Cm **Gm**

But if we run

Cm **Gm**

Or try to hide

Cm **Gm**

And turn our face

There ll be no hopes

To keep alive
