I don t want to see the sights

There is nothing worse, thank God

I don t have to see the sights **G G/C**

This bloody city, I don t want to waste  
another year

Likenising ozone(s) are falling from the  
sky in front of me

There is nothing worse, thank God

So, this is life, you don t seem like history  
to me

Tell me I don t know. Are the bruises on  
your face stick-on-ones

**D7**
