Some tabs are just so wrong you wonder how people don't notice when they play it.

This one is right - it's a gorgeous sweet song by a great band.

CHORDS USED:

F#m

B

I m telling everybody to turn it up again

C#m

B

A

Something s gotta cha - a - ange

F#m

Good bye yesterday

B

Try again today

E

Somethings gonna change

Maybe you can call me when you get to heaven

Maybe you can tell me I can go to hell

But I know rain or shine I ll be there tomorrow

Maybe its written in the stars above you

Maybe its just scratched in sand

But I know you ll find your own dream tomorrow

I m going to try again today

To say whats in my heart

And pray for a better tomorrow

Make a brand new start

I m telling everybody to turn it up again

Something s gotta change

Good bye yesterday

Try again today
