In America
The Charlie Daniels Band
This is my first song I figured the chords out for. Im glad it was for a song
that no
one has added any chords for! Sounds pretty good on piano, I jam right along as
it is in
the proper key.
Have fun, -Cloud9
Verse 1:
         Gm
                            Вb
Well the eagles been flyin slow
       C
                          Gm
And the flags been flyin low
      F
                           C/A
                                                    Gm
And alotta people say that America s fixin t fall
     Gm
                      вb
Well speakin just for me
         C
                          Gm
And some people from TENNESEE
    F
                  C/A
                                 Gm
We got a thing or two to tell you all.
                                 вb
                                          Bb/F Gm
С
This lady may have stumbled, but she aint ever fell
               С
And if the Russians dont belive that,
                             C Bb
          D
they can all go straight to HELL
                             Вb
                                             С
          Gm
Gm
Were gonna put our feet back on the path, of righteousness and then...
          C/A
F
                    Gm
GOD BLESS AMERICAN AGAIN
