The Devil Went Down to Georgia
By: Charlie Daniels

I thought I share with yall a great version of my favorite song of all time!

Listen to this first, Dm gets boring if you don't have the rhythm. Try
appregateing it every so often

Violin solo to these chords on guitar:

Cm Bb Cm Bb G# G F Eb D Cm ; G# Bb Cm

[Cm]The devil went down to Georgia
he was looking for a soul to steal
He was in a bind cuz he was way behind
he was willin to make a deal
When he came across this young man
sawin on a fiddle and playin it hot
And the devil jumped apon a hickory stump
and said boy let me tell you what[G# Bb Cm]
[Cm]I bet you didn't know it
but I m a fiddle player too
And if you d care to make a dare
I ll make a bet with you
Now you play a pretty good fiddle boy
but give the devil his due
I bet a fiddle of gold against your soul
cuz I think I m better than you[G# Bb Cm]
The boy said my name s Johnny
and it might be a sin
But I ll take your bet your gonna regret
cuz I m the best that s ever been

[Cm]Johnny your rosin up your bow
and [Bb]play your fiddle hard
Cuz [Fm]hells broke loose in Georgia
and the [Cm]devil deals it hard
And if you win you get this shiny [Fm]fiddle made of gold
But [G]if you lose the devil gets your soul
