The Devil Went Down to Georgia
By: Charlie Daniels

I thought I share with yall a great version of my favorite song of all time!

Listen to this first, Dm gets boring if you don t have the rhythm. Try appregateing it every so often

Violin solo to these chords on guitar:

Em D Em D C B A G F# Em ; C D Em

[Em]The devil went down to Georgia
he was looking for a soul to steal
He was in a bind cuz he was way behind
he was willin to make a deal
When he came across this young man
sawin on a fiddle and playin it hot
And the devil jumped apon a hickory stump
and said boy let me tell you what[C D Em]
[Em]I bet you didn t know it
but I m a fiddle player too
And if you d care to make a dare
I ll make a bet with you
Now you play a pretty good fiddle boy
but give the devil his due
I bet a fiddle of gold against your soul
cuz I think I m better than you[C D Em]
The boy said my name s Johnny
and it might be a sin
But I ll take your bet your gonna regret
cuz I m the best that s ever been

[Em]Johnny your rosin up your bow
and [D]play your fiddle hard
Cuz [Am]hells broke loose in Georgia
and the [Em]devil deals it hard
And if you win you get this shiny [Am]fiddle made of gold
But [B]if you lose the devil gets your soul

[Violin Solo]

and it sounded something like this[B D Em]
