Dm Am C G

Dm

I can hear the ocean noise;

Am Em

I can feel the pulsing crowd

Dm

buzzing like a radio,

Am Em

pumping like a disco sound.

Dm

I can see a burning sun

Am Em

breaking through a raining cloud

Dm

just like my heartbeat, heartbeat,

Am Em

beating through the town,

G Dm Am C

lost forever in love.

G

I am your favorite son.

Dm Am C

I am a champion.

G Dm Am C

Oh, I am the fire inside

G

of a loaded gun.

Dm Am C

I am a champion.

G Dm

Oh, I am the fire inside...

Dm

I don't want to waste my time.

Am Em

I'm just trying to find my way,

Dm

racing through a perfect town -

Am Em

we're racing on a perfect day.

Dm

And sometimes when I close my eyes,

Am Em

I listen to the words you say...

Dm
 oh, people love a rising star -
 Am **Em**
