

**Drive**  
**The Chevin**

Best band I ve heard in a while. Had to attempt and tab drive. This band is  
reminiscent  
of The Killers and U2.

Drive

**E**  
In the dead of night  
**B**  
We light the candles  
**C#m** **A**  
In the loneliest shrine  
**E**  
Cue the chorus line  
**B**  
Hide my heartbreak  
**C#m** **A**  
In the rhythm and rhyme

**E** **B**  
We just drive  
**C#m** **A**  
Until our cars collide  
**A**  
We just drive drive drive

**E**  
Back when the night was ours  
**B**  
Before it left with stars  
**C#m** **A**  
When we were animals  
**E**  
Two hearts racing  
**B**  
Alone and waiting  
**C#m** **A**  
Two hearts breaking apart  
**B**  
This ending has no start

**E** **B**  
We just drive  
**C#m** **A**  
Until our cars collide  
**E** **B**

(Each of the next chords with \* are only played once to the tune of the ohhhhs.  
Or you  
could skip the chords with \* and just play it in time. Listening to the song is  
key in  
getting the timing right)
