

Heavenly Pop Hit
The Chills

Heavenly Pop Hit

From: Submarine Bells

Each [C]evening the [Am]sun sets in [F]five billion [G]places
Seen by [C]ten billion [Am]eyes set in [F]five billion [G]faces
Then they [C]close in a [Am]daze and [F]wait for the [G]dawning
But the [Am]daylight and [D]sunlight
Are [G]brighter in our eyes
Where [E]night cannot de[F]avour [G]golden solar power

[C]Once we were [Am]damned -- now I [F]guess we are [G]angels
For we [C]passed through the [Am]dark and [F]eluded the [G]dangers
Then a[C]woke with a [Am]start, to [F]startling [G]changes
All the [Am]tension has [D]ended
The [G]sentence -- suspended
And [E]darkness now [F]sparkles and [G]gleams

And it [Am]all see[C]ms [F]larger than [G]life to me
I [Am]find it [C] rather [F]hard to be[G]lieve

And so I [C]stand and the [Am]sound goes [F]straight through my [G]body
I m so [C]bloated up [Am]happy I could [F]throw things a[G]round me
And I m [Am]growing in [D]stages
And [G]have been for ages
Just [E]singing, and [F]floating -- and [G]free

[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[C]Dum te [D]dum dum, [G]dum te dum dum

It s a [E]heavenly [F]pop hit -- if [G]anyone wants it

[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[C]Dum te [D]dum dum, [G]dum te dum dum

It s a [E]heavenly [F]pop hit... it s [G]something that we re humming

As we [C]swoop low on [Am]trees or we [F]sweep under [G]carpets
We could [C]dive into [Am]suns though it s [F]not recom[G]mended
We can [Am]hover, [D]silent
And [G]listen -- closely? [E] [F] [G]

It [Am]all see[C]ms [F]larger than [G]life to me
I [Am]find it [C] [F]hard to be[G]lieve

So [C]where was our [Am]home? Well -- our [F]home was in [G]tears
For its [C]fruit had gone [Am]bad, they d been [F]that way for [G]years
Yet their [Am]lives are e[D]lastic
They [G]should be fantastic
They [E]should be ex[F]panding... [G]

[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[C]Dum te [D]dum dum, [G]dum te dum dum

It s a [E]heavenly [F]pop hit -- if [G]anyone wants it

[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[D]Oh... [Am] [F] [G]
[C]Dum te [D]dum dum, [G]dum te dum dum

It s a [E]heavenly [F]pop hit -- for [G]anybody

For [G]those that still want it
