Intro : **D F#m D F#m**

**D**  
Wait a minute let me speak,  
**E**  
let me share the grief that lies behind your smile.  
**D**  
There s people turning bad feeling sad, misunderstanding,  
**E**  
And the world s going mad.  
**D** **E**  
You watch TV, and you shake your tortured head.  
**A**  
And I watch the world,  
**E**  
And I really think we might be better off.

CHORUS

**C#m** **Bm**  
Father, you ve been a long time so lonely,  
**C#m**  
Hear me now, Father,  
**D** **E**  
You ve got a stake in my soul, so console me.  
**F#m** **E** **F#m**  
I need it now, we need it now.

**D**  
Genocide reveals the foulest swoop,  
**E**  
The sweetest lips received the soured fruit again,  
**D**  
A killer swears he s just a thief,  
**E**  
A thief declares he s just a victim of kinds.  
**A** **E**  
And I watch the world, and there really isn t more to life than dying.

CHORUS

Solo **C#m** & **Bm** on chords : **D (A)-E** x3

**A**  
And I watch the world,  
**E**  
And I really think we might be better off.
