F **A#**
Here among the shadows in a lonely land,

We re a band of pilgrims on the move;

F **A#** **F**
Looking for a city, where we ll never die,
F **G** **C**
There the sainted millions, never say good-bye,
F **A#** **F**
There we ll meet our Savior, and our loved ones too,
A# **F** **G** **C** **F** **A#** **F**
Come O Holy Spirit, all our hopes renew.

[Here in disappointment we so sadly roam,

Friends no longer speak one word of love;

And I m looking for a city built above.]

Looking for a city built above.
