It s No Reason (Church)

G	Bm	C	D	x-----
Crocodile skin water,	city shadows	wait		
G	Bm	C	D	o
Put your head into your hands,	the ending is so great			o
G	Bm	C	D	o
Take A ride to sundown,	buy A ticket home			D(add B)
G	Bm	C	G	
Take all the things I ve bought you,	leave all the rest alone			

G	Bm	C	D
Marble skins turn human,	people fade to grey		
G	Bm	C	D
Put your head into my hands,	we ll make them go away		
G	Bm	C	D
As you re crying softly,	you won t ever be disturbed		
G	Bm	C	G
Red on pink the sun will sink,	have you even heard		

D(add B) **D** **Em7** **C**
And the colours take me down

D(add B) **D** **Em7** **C**
It s no reason to be sad

D(add B) **D** **Em7** **C**
And you leave without a sound

D(add B) **D** **Em7** **F**
It s no reason to be glad

G	Bm	C	D
Salty tears are wasted,	children lie awake		
G	Bm	C	D
Put your head into my hands,	don t let your spirit break		
G	Bm	C	D
Black smoke from the chimneys,	white smoke from the hills		
G	Bm	C	G
Everything is moving,	but we re standing still		

D(add B) **D** **Em7** **C**

And the colours take me down

D(add B) D Em7 C
It s no reason to be sad

D(add B) D Em7 C
And you leave without a sound

D(add B) D Em7 F
It s no reason to be glad

G Bm C D
Celebrations fading, boats upon the waves
G Bm C D
Put your head into my hands, trying to be brave
G Bm C D
The carnival has packed up, the storm has left us peace
G Bm C G
Poppies sleep undamaged, we drive into the east

D(add B) D Em7 C
And the colours take me down

D(add B) D Em7 C
It s no reason to be sad

D(add B) D Em7 C
And you leave without a sound

D(add B) D Em7 F
It s no reason to be glad

G Bm C D G
